MAR 02 2004

Dear Sir/Ms.:

Technology Center 2100

Enclosed is a Substitute Specification for the originally-filed specification in this application. This Substitute Specification is being voluntarily submitted in order to facilitate the processing of the application. Also enclosed is a marked-up copy of the Substitute Specification showing the matter being added to and the matter being deleted from the specification.

Provided below is a statement as required by 37 C.F.R. §1.125, that the Substitute Specification transmitted herewith contains no new matter.

**STATEMENT THAT THE SUBSTITUTE SPECIFICATION CONTAINS NO NEW
MATTER (37 C.F.R. §1.125)**

I hereby state that the accompanying Substitute Specification contains no new matter over that contained in the above-identified application originally filed. I further state that the changes made are the same as indicated in the interlinedated Substitute Specification also accompanying this statement.

It is submitted, therefore, that the Substitute Specification should be accepted by the Examiner and entered into the file. If there are any questions regarding this matter, the Examiner is respectfully requested to telephone the undersigned.

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
